

February 19, 2016

Dear Gulf Coast Center Military Veteran Peer Network Supporters,

We are so excited to announce that our Military Veteran Peer Network at the Gulf Coast Center has been chosen to be a beneficiary of the Salute to Heroes III benefit that will be held at South Shore Harbour on April 2, 2016. This is such an honor!

It is our hope that you will join us for a great evening of delicious food, music and recognition of the incredible work done on behalf of our veteran community and their families. Our MVPN chapter serves Galveston and Brazoria counties and provides peer support for active duty military and veterans. We know of the sacrifices that military families make as well and offer support and resources to them as well. Our counties have large populations of returning veterans who deal with challenges from their transition to civilian life. It doesn't matter which era or conflict a veteran served...they each deserve the help they need to reintegrate into their life at home. That is our mission...to leave no one behind!

If you are unable to attend please consider making a contribution. We are requesting contributions for the purchase of auction items for this event. These items could include travel destination packages, offshore fishing, premiere hotel accommodations, airline tickets, event tickets, or even fine jewelry. These items will be among many other fantastic auction items up for grabs that evening.

Please consider joining us for this exciting evening and show your support for the servicemen and women who have given so much for our freedom. The proceeds from this event will be contributed to the Gulf Coast Center Military Veteran Peer Network (MVPN Gulf Coast).

Thank you so much,

Heather Melton
